

Directions for Measuring your Rope “Peg” Bed for a Sacking Bottom

Our Sacking Bottoms are custom made to fit your Peg (rope) Bed. Made of heavy duty sail canvas with brass grommets. Comes complete with 50' of 1/4" sisal rope and installation instructions. *(Not designed to be used on a rope bed with holes in the rails.)*

- 1) Measure the (INSIDE) dimensions of your rope peg bed.
Headboard to Footboard and Side Rail to Side Rail as shown below.
- 2) Count the number of PEGS on one side rail and the number of PEGS on either the footboard or headboard.
